

Ref. No.: SPNREC/ATTEND/125

Date: 02/03/2024

DEPARTMENT OF ELECTRICAL ENGINEERING

NOTICE

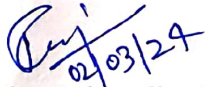

All the students of Electrical Engineering branch are hereby notified the following important points with regards to their biometric registration and their student directory related information:

1. The students must ensure that they are registered in the biometric machine and should ensure that their biometric id is same as their registration id. Those who have not yet registered should get themselves registered.
2. The students should further also ensure that their information is correctly entered in the student directory. It has been found out that the students have not yet provided correct information for the same. If there is any student whose information is not entered in the directory, should ensure that their information is correctly entered.

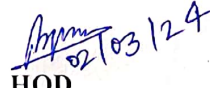

Following staff members should be contacted for any necessary help with regards to it:

1. Mr. Suman Kumar, NATS, ECE Department
2. Mr. Raushan Kumar, Lab Assistant, CE Department
3. Mr. Jitendra Kumar, Lab Assistant, EE Department

This should be taken as most urgent.
