SHRI PHANESHWAR NATH RENU ENGINEERING COLLEGE, ARARIA

(Department of Science & Technology, Government of Bihar)

Department of Electronics & Communication Engineering

Organizes

Three Days Workshop on "*Basic Tools for Research Documentation*"

Website: https://spnrecararia.ac.in/

Patron:
Dr. Atma Ram Gupta
Principal, SPNREC ARARIA

Convenor:
Dr. Ritesh Kumar
Assistant Prof., ECE

Coordinator:
Mr. Amit Ranjan
Assistant Prof., ECE
&
Mr. Priyatam Kumar
Assistant Prof., ECE

Organizing Committee:
All faculty members
SPNREC ARARIA

Link for online registration:
https://forms.gle/y3XmqDREbfUwC2GZ6

Who can apply: Faculty members, researchers and students from Engineering/Science Community.

Last date to apply online: 22/02/2023

Registration Started

Workshop Duration: 23-25 February 2023

Workshop Content:
- Template and Citation in MS Word
- Data analytics
- Drawing Tools
- Latex

e-Certificate for each participants with minimum of 80% attendance

Free Registration

Speakers:

Dr. Atma Ram Gupta
Principal, SPNREC ARARIA

Dr. Ritesh Kumar
Assistant Professor, ECE
SPNREC, ARARIA

Three Days Workshop on
"*Basic Tools for Research Documentation*"
(BTRD-2023)
(23-25 February 2023)
Hybrid Mode

Patron
Dr. Atma Ram Gupta
Principal,
SPNREC ARARIA

Convenor
Dr. Ritesh Kumar

Coordinator(s)
Mr. Amit Ranjan
Mr. Priyatam Kumar

Organizing Committee
All faculties, SPNREC

Organized By:
Department of Electronics & Communication Engineering
SPNREC, ARARIA

Registration

How to Register:
The selection is on first come first serve basis depending on the availability of seats. As seats are limited, so pre-registration is required. Interested candidate can apply online through the google form link given bellow:
https://forms.gle/y3XmqDREbfUwC2GZ6

❏ There is no registration fee.
❏ Last date to apply online: 22/02/2023

Who can apply: Faculty members, researchers and students from Engineering/Science Community.
Attendance is mandatory in every session

Workshop details

Speakers:
Dr. Atma Ram Gupta
Principal, SPNREC ARARIA
Topic:
❏ *Paper writing skill*
Date and Time: 23/02/2023; 2:30pm-5:30pm

Dr. Ritesh Kumar
Assistant Professor, ECE
SPNREC, ARARIA
Topic:
❏ *Data Analytics*
❏ *Drawing Tools*
❏ *Latex*
*Date and Time: 24/02/2023; 2:30pm-5:30pm
25/02/2023; 2:30pm-5:30pm*

e-Certificate for each participants with minimum of 80% attendance

About the Institute

Shri Phanishwar Nath Renu Engineering College (SPNREC), Araria, one of the 38 State Govt. Eng. College of the Bihar, is a premier center of learning in various disciplines of Eng. It trains and develops high caliber professionals to serve not only the country but also the world at large. Established in 2019 SPNREC (formerly GEC), the Institute has made rapid strides in expanding and upgrading facilities, enhancing the quality of education and strengthening the linkage with in-dustry. The Institute has B. Tech Courses in various disciplines. Institute offers excellent facilities for advanced education in the emerging areas of Science and Technology leading to B.Tech degree.

About the Workshop

Academic research requires a lot of dedication & diligence. From reading the literature to writing up the first draft of the paper, engaging in academic research means that we are in an ongoing process of learning and growth. The goal is to produce insight full and rigorous research and contribute to the development of human knowledge.

When it comes to writing our research paper, there is need to choose a powerful writing platform that offers features to help not only with the actual writing but also with things such as planning, brainstorming and formatting.

This workshop is designed to provide exposure in the basic tools for research documentation, like MS office, Excel, Inkscape, and Latex.

About the Department

The department of Electronics and Communication Engineering started in 2019, immediate with the beginning of the institute under the aegis of Department of Science and Technology, Bihar. Currently, it is offering one UG program (B. Tech in Electronics & Communication Engineering). The department has seven faculties with the working experience in the institute of repute like IIT, DRDO, BSNL, and Prasar Bharati, etc. The department is dedicated for building leader of education, research, and innovation in the field of Electronics and Communication. It will provide excellence in education and will produce creative solution for society needs.
