### About the Institute

Shri Phanishwar Nath Renu Engineering College (SPNREC), Araria, one of the 38 State Govt. Eng. College of the Bihar, is a premier center of learning in various disciplines of Eng. It trains and develops high caliber professionals to serve not only the country but also the world at large. Established in 2019 SPNREC (formerly GEC), the Institute has made rapid strides in expanding and upgrading facilities, enhancing the quality of education and strengthening the linkage with in-dustry. The Institute has B. Tech Courses in various disciplines. Institute offers excellent facilities for advanced education in the emerging areas of Science and Technology leading to B.Tech degree.

### About the Workshop

Gaining knowledge about cutting-edge methods for implementing robust security systems is a major benefit of cyber security training for organisation. In an ideal world, companies would be able to strengthen their cyber defences with the right security standards after receiving cyber security training. In this workshop, various topics like Cyber Security :- A need of future Interactive Session: Cybersecurity Career Paths and Opportunities Penetration Testing: Web & App, About Cyber Forensics: Road to Cyber Investigation will be addressed along with some demonstration. This workshop will enhance the technical skill of entrepreneurs.

### About the startup- cell

Startup Bihar is a flagship initiative of Government of Bihar intended to improve competitiveness of the state's economy and achieving inclusive growth. Start-ups and Innovation play a key role in economic growth. Startup Cell SPNREC is guided and supported by Department of Industries, Govt. of Bihar. It was established as district nodal center for Startup activities in Shri Phanishwar Nath Renu Engineering College Araria in 2023. This cell provides assistance in the registration of ideas, startup related activities, technical support, and consultancy through experts in various areas of innovation.
